

Salve Quintus Sertorius Sulla,

We have gratefully received your payment. Together with this letter you will receive the requested summa 'Power of Change'. I hope you find it a useful addition to your library.

We were able to provide you with one of our spare copies to meet your request for prompt delivery. Please be aware that this may not always be the case.

Please be aware that we offer all our books under the Cow and Calf Oath.

Our library contains several books on Animal that may be of interest to you. Amongst these are

- 'Controlling Beasts', a tractatus available for 4 pawns of vis.
- 'Transforming Animals', a tractatus available for 4 pawns of vis.
- 'Speaking with Animals', a tractatus available for 3 pawns of vis.
- 'The Nature of Animals', a summa available for 12 pawns of vis.
- 'Animal – A Primer', a summa available for 6 pawns of vis.

I wrote none of these books myself. My interests lie mostly in applications of Imaginem.
