

Salve Sodalis,

thank you for inquiring about my health. Indeed I survived the Gauntlet of my recent Apprentice almost unharmed. I do not wish to pursue this matter any further and have to ask you to refrain from any investigations into the details of the Gauntlet. But I am very interested in learning his current whereabouts. If you could help me with this I would be most grateful.

*Signed Gaius Marius Cicero scholae Tytali ad Septem Tumulosus*
